**“Success is the perfection of detail”**

Sunday June 25, 2023.

Dear HSS Stakeholders,

We have made it to the end of another school year together and we thank you for your support. In our final week of the school year, we celebrated the milestone achievements of our students and our graduating classes together at the Meeting Place in Catherine Hall. Thank you for coming out and supporting our students, we appreciate it more than you know.

As previously announced, we are moving to a new location in Ironshore, MBI for the new academic year commencing September 2023. Our new location will better enable us to serve our stakeholders and expand on our offerings. Based on the ongoing work and preparation activities, we will not be releasing the location – just yet. Please bear with us as we focus on completing all activities for a seamless transition. All details will be released in advance to ensure proper planning and coordination of logistics. We will also be hosting an opening of our new location for all stakeholders at the close of the summer break.

We use this opportunity to thank you for your continued partnership which has fostered the space for us to grow and improve. We look forward to the upcoming school year and encourage our stakeholders to stay connected with us.
