Prayer for the Week:

Dear Heavenly Father,

We gather in your presence with open hearts, thankful for the opportunities and challenges that this new week brings. We acknowledge that learning is a gift, and we are privileged to be part of a community dedicated to education. Grant us the strength to face our studies with determination and curiosity, to ask questions, to seek understanding, and to embrace the joy of discovery.

Guide our teachers and mentors, that they may inspire and empower us to reach our fullest potential. Bless them with patience, wisdom, and compassion as they shape our minds and hearts. May this school be a place of growth, not only in knowledge but also in character. Help us to be respectful and kind to one another, to nurture friendships, and to extend a hand of support to those in need.

We lift up our hopes and dreams for this academic year, knowing that with your guidance, we can overcome challenges and celebrate our achievements. Watch over us as we embark on this educational journey, and grant us the grace to face each day with enthusiasm and gratitude. May we approach our studies not only as a means to an end but also as a path to personal and collective growth.

In your name, we pray for a week filled with inspiration, understanding, and a sense of purpose; in Jesus’ name we pray, Amen.
