Dear Parents and Caregivers:

Re: AY 2023-2024 Updates and Tuition Increase Advisory

We would like to express our heartfelt gratitude for your ongoing support and partnership with our school. Your unwavering commitment to your child's education and involvement in their journey has made a significant impact on our school community. We have completed another successful school year together and simply could not have done it without you.

As we prepare for another school year, we brace for the many new and exciting changes. As announced at our Prize Giving and Graduation Ceremony recently, we will be relocating for the new school year but will remain in the Ironshore community. We have remained quiet on the exact location to ensure all preparations are made in time for our re-opening without undue interruption. We are planning an open-house prior to the re-opening of school for all stakeholders to view and attend. All details on our relocation, will continue to be shared over the summer break to include pictures, etc.

We also write to inform you about an upcoming change regarding the tuition fees. After careful consideration and a comprehensive evaluation of our school's financial needs, it has become necessary to implement a modest tuition increase for the upcoming academic year 2023-2024. This decision was not made lightly, and we understand the financial responsibilities that you, as parents, undertake to provide your child with a quality education.

The tuition increase is vital to sustain and enhance the educational experience we provide at HSS. It will enable us to maintain our commitment to academic excellence, enrich our programs, invest in technology infrastructure, and support with our school expansion and relocation. We are committed to transparency, and we want to assure you that we have made every effort to keep the tuition increase as modest as possible, while ensuring the continued delivery of a high-quality education for your child. Kindly see below our revised rates for the new school year.

Re: Tuition Increase & Payment Guidelines for AY 2023- 2024

We value the partnership between our school and parents, and we remain committed to providing an exceptional educational experience that prepares our students for future success. We appreciate your understanding and support as we navigate the ever-evolving landscape of education.

If you have any questions or concerns regarding the tuition increase, please do not hesitate to contact us. We are here to address any inquiries and provide the necessary assistance. Thank you for your continued trust in our school community. We look forward to another successful year of collaboration, growth, and achievement for our students.

Sincerely,

Mrs. Tamar McKenzie
Head of Schools
