

“Success is the perfection of detail”

Sunday October 29, 2023.

Dear HSS Stakeholders,

This morning, our school took part in the 14th annual Kiwanis Club of Providence's 5K Breast Cancer Awareness Run/Walk/Wheelchair event, a powerful demonstration of our dedication to promoting breast cancer awareness within our community. Our students, teachers, and staff joined forces, lacing up their sneakers, and collectively taking steps not just for their own well-being but also to raise awareness and support for those affected by breast cancer in our school community as we “support the fighters, admire the survivors and honour the taken.”

As we move forward into November, let us carry the energy and camaraderie from the 5K walk into this new month. There are more projects that are exciting and activities on the horizon, and we look forward to continuing this journey of growth and community building with each one of you.
