**"Success is the perfection of detail"**

Sunday November 12, 2023.

Dear HSS Stakeholders,

This week serves as a poignant reminder of the remarkable sense of unity and collaboration that defines our school community. In the spirit of nurturing connections, we extend our sincere appreciation to the teachers, parents, and students who joined the JISA Church Service this morning at the King's Chapel UPC in Anchovy, St. James. This morning's service marked the beginning of our JISA Week celebrations, centered around the theme "Innovate and Ignite - Shaping the Future Together."

Our school community is gearing up for two additional activities during JISA Week: a Chess Tournament set for Thursday in our auditorium and a toiletry drive supporting the St. Elizabeth Early Childhood and Therapeutic Centre on Friday, November 17, 2023. We encourage all our students to actively participate in these activities as we continue to foster outreach initiatives.

### Prayer for the Week:

Dear Heavenly Father,

As we gather in unity and faith, we lift our hearts in prayer for the Heinz Simonitsch School (HSS) community. Grant us strength to face challenges, healing for those in need, and resilience to navigate the journey ahead.

In this moment, we extend our prayers to our extended school family at El Instituto de Mandevilla. We specifically lift up their principal, asking for a swift and complete recovery to good health. May your healing touch be upon her, bringing comfort and restoration.

We seek your divine wisdom and courage for all members of the HSS community. Grant us the discernment to make wise decisions, the courage to face uncertainties, and the strength to persevere. In our moments of rest, may we find solace and rejuvenation.

Bless our endeavors, both in our academic pursuits and our personal lives. We offer these prayers with gratitude for your constant presence and the community we share, in Jesus’ Name, Amen.
