## VISION

At the Heinz Simonitsch School, we are devoted to developing well-rounded, confident and responsible individuals who aspire to achieve their maximum potential. Our highly unique and cohesive programs are designed to empower students; we strive to produce articulate life-long learners, to compete in and contribute to the global world and observe the core values of the school: respect, tolerance, inclusion and excellence.

## MISSION

The Heinz Simonitsch School provides a positive, vibrant and inspiring environment where students are valued and encouraged to succeed in becoming life-long learners.

## WHY OUR SCHOOL

Choosing the Heinz Simonitsch School means embarking on an educational journey where students thrive in a vibrant, positive environment. Our mission is to cultivate life-long learners, developing well-rounded, individuals ready to excel and contribute globally.

With a curriculum that nurtures curiosity, creativity, and resilience, we prioritize respect, inclusion, and excellence. Our unique programs empower students, fostering a strong community partnership.
