Dear HSS Stakeholders,

Happy Sunday! We extend our heartfelt gratitude to all for the tremendous support we received throughout the past week as we hosted three informative webinar events for our valued parents and students. Commencing with our PEP webinar for Junior school students on Monday, followed by our insightful session for Seniors on Tuesday, offering valuable guidance as they prepare for life beyond high school. Wrapping up the week on Friday, we concluded with our final webinar, delving into our school's brand and its significance. Prayer for the week:

Dear loving Father,

As we embark upon another week in our journey of learning and growth, we come before You with hearts filled with gratitude and hope. We thank You for the blessings of knowledge and opportunity that surround us at the Heinz Simonitsch School.

In this week ahead, we lift our collective prayers for the safety and well-being of our entire school community. Watch over us, dear Lord, as we navigate our days with diligence and purpose. Protect us from harm and danger, both seen and unseen, and guide us with Your divine wisdom.

Grant strength to our teachers as they impart knowledge and wisdom to eager minds. May their guidance be steadfast and their efforts fruitful.

We pray for our students, that they may approach each day with enthusiasm and curiosity, and that they may walk in safety both within the walls of our school and beyond.

Bless our parents and guardians, who entrust us with the care and education of their beloved children. Grant them peace of mind knowing that their loved ones are in Your loving hands.

Lord, in Your mercy, hear our prayer. May Your presence be felt among us this week and always, guiding and protecting us in all that we do. In Your name we pray, Amen.
